Session Two: Let's Work Together!

Activity: Build It Together

- In classrooms with 20 or fewer students, the current instructions work as is. For classes with more than 20 students, please follow these directions for students to complete the activity successfully.

Facilitator Guide pg. 13, **Student Materials Table**, Prep Instructions and pg. 17 at the bottom of the page beginning with "Divide students into group of 5" through to the top of pg. 18 ending with "Hold up Learning Log: 2":

- **Replace the instructions for distributing Paper Shapes with:**

  Before the session, prepare one set of shapes for each group of five students.
  Each set should include:
  - 18 triangles
  - 3 circles
  - 2 squares
  - 2 ovals

- Divide students into groups of five. Within each group, assign **three students to create a sun** and **two students to create a boat**. During the activity, **give one set of shapes to each group**. Have students share and trade shapes to build the boat or sun patterns in their Learning Logs.

- Each group has enough shapes for three students to build suns and two students to build boats.
