LOOKING TO THE FUTURE

JA Finance Park is JA's capstone program for personal financial planning and career exploration. At the culmination of this teacher-led program, students visit JA Finance Park, a realistic on-site or virtual community, to put into practice what they've learned by developing and committing to a personal budget.

JA of South Dakota is excited to bring this transformational program to students starting in the 2023-24 school year, using a virtual platform and mobile simulation unit; making the experience possible for students across the state.
