

# Hands on. Minds Opened.

**Wednesday, November 18, 2026**

**8:00 AM - 3:00 PM**

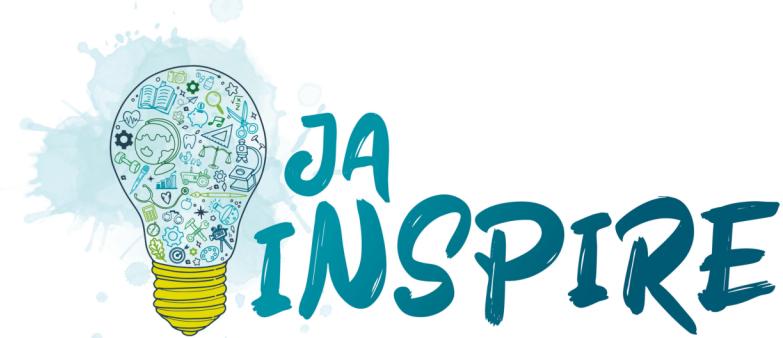

**Sioux Falls Convention Center**

JA Inspire is a collaboration between educators and industry leaders, led by Junior Achievement of South Dakota. At the center of our work is a powerful event that will be massive, measured both in square feet and impact.

## Featuring:

- Hands-on career exploration
- 3,700 8th grade students in-person, an additional 1,500 virtual participants
- 75+ South Dakota companies representing high-demand careers who will share career advice and engage students with interactive exhibits
- Virtual Career Stations enhancing impact to students across the state of South Dakota

Why JA Inspire? Not all students receive career mentorship at home. JA Inspire offers students the opportunity to learn about careers from caring mentors before they plan their high school coursework. For businesses, this is a chance to build their future workforce. For South Dakota, this is a way to showcase the opportunities our students have, right here at home.
